At The Table with Jesus in a Season of Transition

Jill Hwang

We have all had to deal with transitions. It's a normal and regular part of our lives.

Transitions, however, are uncomfortable and oftentimes take us away from our normal times at the table with Jesus.

How do we flourish in transition and partake of all of God's goodness before us?

This workshop will explore practical and creative ways to do that.

Jill Hwang serves alongside her husband John at Christ Point City Church in Huntington Beach, California, USA.

"And let the peace (soul harmony which comes) from Christ rule (act as umpire continually) in your hearts [deciding and settling with finality all questions that arise in your minds, in that peaceful state] to which as [members of Christ's] one body you were also called [to live]. And be thankful (appreciative), [giving praise to God always]"
Colossians 3:15 AMPC

This practical workshop deals with the daily challenges faced by all of us in how to live in peace:

peace with our minds, emotions, relationships and circumstances.

Discover some basic ways of walking out our living faith, obeying the Word and dealing with times when our emotions, fears or expectations threaten to overwhelm us.

Christine Search is a registered nurse working in the field of Occupational Health. She is currently studying holistic nutrition and is passionate about health and wellness God's way.
